The Akron-Canton Airport Authority
Invites Applications For President & Chief Executive Officer

The Akron-Canton Airport Authority is seeking a President & Chief Executive Officer for the Akron-Canton Airport (CAK). The President and CEO plans, develops, establishes, and oversees objectives of the airport in accordance with policies, goals, and objectives established by the President & CEO and the Akron-Canton Regional Airport Authority Board of Trustees. This position is also responsible for the day to day operation of the airport to ensure a safe, efficient and sustainable operation.

These responsibilities will be accomplished by managing and directing the financial, business, security, land, planning, construction, operations, marketing and related functions of the airport through the efficient management of airport departments and personnel. The President and CEO will directly manage accounting, field maintenance, building maintenance, custodial, and operations departments (5 manager direct reports and approximately 40 employee indirect reports).

Position Qualifications

The ideal candidate will have a bachelor's degree in business, public administration, aviation management or other related field required, (advanced degree preferred) and 10+ years of experience in airport management preferred. Experience in corporate management will also be considered.

Salary & Benefits
The salary for this position is $165,000 - $225,000 DOE with an attractive benefit package. For instructions on how to apply, please **click here** to see the recruitment brochure, or visit the searches tab at www.adkexecutivesearch.com.

Filing Deadline: April 27, 2018
