

The Kenton County Airport Board Invites Applications for Senior Manager – Financial Reporting

The Senior Manager – Financial Reporting is responsible for overseeing and ensuring the successful preparation, analysis and distribution of internal and external financial statement reporting and other financial reporting and analysis work as assigned.

Essential Duties Include:

- Planning and overseeing the compilation of all sections of and information for the Comprehensive Annual Financial Report (CAFR) in accordance with applicable standards.
- Monitoring and ensuring timely identification of and compliance with evolving accounting guidance, providing interpretation and implementation recommendations to KCAB financial executive management related to Generally Accepted Accounting Principles and other applicable requirements.
- Preparing technical memorandums that communicate and explain accounting issues and evolving accounting guidance to the management team in a clear, logical and comprehensive manner.
- Ensuring sufficient, accurate and consistent financial reporting throughout the organization by working closely with KCAB's departments and their respective managers. Overseeing the process and ensures the accurate reporting of data reflecting KCAB's financial standing on bases that include current, historical and budget-to-actual information sufficient to facilitate effective management decision making.
- Planning and managing the annual audited financial statements, to include research, evaluation and presenting recommendations regarding implementation of accounting pronouncements and other authoritative guidance, and preparing the financial statements and footnote disclosures for review by internal financial upper management and the independent external auditors.
- Managing staff to include supervision, delegation and review of assigned work, hiring/terminating, performance appraisals, coaching/counseling, staff development, application of organizational policies and procedures.

Position Preferences

The ideal candidate will have a Bachelor's Degree in accounting and seven years of directly relevant experience; or, an equivalent combination of education and experience sufficient to successfully perform the essential duties of the job such as those listed above. Certified Public Accountant license (CPA) and/or Certified Management Accountant (CMA) and/or Certified Public Finance Officer (CPFO) designation required.

Salary and Benefits

The starting salary range for this position is \$82,100 to \$100,400 with an attractive benefits package.
