

Bishop International Airport Authority Invites Applications For Deputy Airport Director, Operations & Maintenance

Bishop International Airport Authority is seeking a Deputy Airport Director, Operations & Maintenance to plan, organize, and direct the day-to-day activities of all maintenance, operations, engineering, and public safety functions of the Airport Authority. This position coordinates related activities with all tenants, federal, state, local agencies and other related aviation user groups.

Bishop International Airport (FNT) is a commercial service and general aviation airport located in Flint, Michigan. The airport is in Genesee County, approximately 60 miles north of Detroit. In 2017, FNT's enplanements were 393,549, making it the third busiest airport in Michigan. The airport is owned and operated by Bishop International Airport Authority (BIAA).

Position Preferences

Bachelor's degree in airport or aviation administration, business administration, aeronautical or civil engineering or a related field. At least five years of progressive, high-level airport management experience is required. Experience needs to show relevance & knowledge in airport operations (landside & airside), safety, customer service, and facility maintenance/operations. Accredited Airport Executive (AAE) designation is desirable and must be obtained within two-years from date of hire.

Compensation

Annual salary range is \$80,000 - \$110,000. A full range of benefits include: Health, Dental, and Vision Insurance, Short Term and Long-Term Disability, Life Insurance, Optional 457 Deferred Compensation Plan, 20% of annual salary in a 401(a) plan to be fully vested at five years, Retirement Health Savings Plan, relocation expenses, and vehicle.
