

The Clark County Department of Aviation Invites Applications For Deputy Director of Aviation

The Clark County Department of Aviation is seeking a Deputy Director of Aviation who will have direct oversight of Landside Operations, Terminal Operations and airport Security Divisions. Landside Operations manages curbside operations, enforcement and security, parking operations, shuttle bus operations for inter-terminal and remote parking passenger movements and overall management of the airport roadway system. Terminal Operations is responsible for managing all custodial operations of over 2.6 million square feet of public areas, passenger services and coordinating medical and security responses within the terminal. In addition to managing access control, the Security Identification Office and Canine teams, the Security Division works closely with our partners in Transportation Security Administration, Customs and Border Protection, Metro Police, the Fire Department and Secret Service. As the second largest origination and destination airport in the nation, leadership of these key divisions is essential to ensuring a high-quality customer experience from the curbside to the gate.

Reporting to the Director of Aviation, the Deputy Director is a key member of the executive leadership team assisting in strategic planning, organizing and administering all developmental and operational phases of the Clark County Airport System consisting of a major international airport facility, general aviation airports and associated parking and related facilities.

Position Qualifications

Successful candidates will have a Bachelor's degree in Aviation Management, Business or Public Administration or a field related to the work and a minimum of five years of full-time upper level management experience which will have provided the required knowledge and skills. A Master's degree in an appropriate field is desirable. Equivalent combination of formal education and appropriate related experience may be considered. Commercial airport experience is a plus.

Salary and Benefits

Salary range is \$129,230.40 - \$200,283.20 with an excellent benefit package, including retirement through Nevada PERS (Public Employees' Retirement System) and a vehicle allowance.
