

Aviation Client/Project Manager

—Georgia—

Mead & Hunt is seeking a highly motivated individual to build our aviation practice in the Southeast. Responsibilities include leading business development opportunities to expand our airport engineering and construction presence in the Southeast market; leading the design of aviation engineering projects; mentoring project staff; project management for airport engineering projects; evaluating and analyzing existing projects; preparing reports, budgets, cost estimates, specifications, plans, schedules, studies, and permits. Travel will be required.

The successful candidate will have all of the following:

- Bachelor's degree (or higher) in civil engineering
- at least twelve years of relevant engineering experience
- PE license in any state with the ability to obtain in Georgia within 6 months

The ideal candidate will have any/all of the following: airport design and/or construction experience; airport engineering project management experience; knowledge of FAA design criteria; experience mentoring staff; proven ability to win airport design and/or construction work in the Southeast; Southeast aviation market knowledge.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume (and the pdf application if possible) to the address below. The deadline to apply for this position is **Tuesday, August 14, 2018**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the "successful" candidate and "ideal" candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.** Mead & Hunt will not sponsor a visa (H-1B, etc.) for this position.
