

# **SCHOLASTIC SCHOLARSHIPS**

**PROVIDED THROUGH**

**THE SOUTHEASTERN AIRPORT MANAGERS' ASSOCIATION  
EDUCATIONAL FOUNDATION, INC.**

**MANAGED BY**

**THE SOUTHEAST CHAPTER OF THE AMERICAN ASSOCIATION  
OF AIRPORT EXECUTIVES**

**The Southeast Chapter of the American Association of Airport Executives was formed at the Peabody Hotel in Memphis, Tennessee, in the fall of 1983. At the time of the Chapter's formation, one of the country's oldest and most highly respected regional airport managers' associations was already in existence – The Southeastern Airport Managers' Association also known as SAMA.**

**SAMA was formed in 1947 and among its major objectives were the continuing education of its members and the providing of incentives and scholastic scholarships to motivate college and university students to continue in their airport management curriculums and follow their studies to careers in the airports industry. To that end, the Southeastern Airport Managers' Association Educational Foundation, Inc., was incorporated in the State of Florida and annual contributions were made to the Foundation through SAMA's annual conference profits, corporate and personal donations, and the final wills and testaments of some of SAMA's most dedicated members.**

**In 1997, following years of difficult and emotional negotiations, SAMA merged with the Southeast Chapter of the American Association of Airport Executives (SEC-AAAE). Today, the Southeast Chapter of the American Association of Airport Executives manages the SAMA Educational Foundation, Inc., in memory of and respect to that fine Association**

**The goal of the Foundation is to eventually provide an annual scholastic scholarship to a college or university in each state originally represented by SAMA and now represented by the SEC-AAAE. Those states include Virginia, West Virginia, North Carolina, South Carolina,**

**Georgia, Florida, Louisiana, Tennessee, Kentucky, Arkansas, Mississippi, Alabama and the District of Columbia and the Virgin Islands.**

**The SAMA Educational Foundation, Inc., currently endorses annual scholarships to the following colleges and universities as budgetary restrictions permit:**

<b>Auburn University</b>	<b>Alabama</b>
<b>Henderson State University</b>	<b>Arkansas</b>
<b>Florida Institute of Technology</b>	<b>Florida</b>
<b>Middle Georgia College</b>	<b>Georgia</b>
<b>Eastern Kentucky University</b>	<b>Kentucky</b>
<b>Louisiana Tech University</b>	<b>Louisiana</b>
<b>Delta State University</b>	<b>Mississippi</b>
<b>Elizabeth State University</b>	<b>North Carolina</b>
<b>Unnamed</b>	<b>South Carolina</b>
<b>Middle Tennessee State University</b>	<b>Tennessee</b>
<b>Hampton University</b>	<b>Virginia</b>
<b>Fairmont State College</b>	<b>West Virginia</b>

**Auburn University is the only school currently provided two annual scholarships. The two scholarships are provided with great respect for the contributions to SAMA and the Foundation by Charles E. Hanst, former Airport Management Consultant for the Federal Aviation Administration and Willard M. Fletcher, former President of the Memphis-Shelby County Airport Authority.**

**Prior to its merger with the SEC-AAAE, The Southeastern Airport Managers' Association dedicated certain scholarships in the names of former members who provided unyielding service to the Association and outstanding support to the SAMA Educational Foundation, Inc. These honored individuals are Charles E. Hanst, Willard M. Fletcher, A.A.E., and William J. Dumatrait, A.A.E. The Southeast Chapter of the American Association of Airport Executives followed that example when it named a scholarship for William S. Hamilton, A.A.E.**

**These scholarships represent a small way for the members of SAMA and the SEC-AAAE to show their love and respect for truly great men of aviation whose work should not be forgotten. Their lives were**

**devoted to advancing aviation and encompassed the thrill, excitement and companionship that the former members of SAMA and current members of the SEC-AAAE hope recipients of these scholarships will experience. A brief history of each individual is provided herein to honor these heroes of airport management and to show our eternal appreciation for their contributions to the profession.**
