## Contragulations to Stacey Kuba and Colette Edmisten for being recognized in the top 40 under 40 by *AviationPros*

Stacy Kuba: The airport was once Stacey's favorite place to visit. Now, as the Downtown Airport Manager for the Shreveport Airport Authority, she gets to go there every day. In her role she oversees the day-to-day operations of the largest general aviation airport in the state of Louisiana. She also serves as the Project Manager for the Downtown Airport overseeing projects from conception to completion. Stacey is an accredited member of AAAE and a proud member of the SEC-AAAE.

Colette Edmisten: In the 7th grade, Colette vacationed with her family in Colorado where she toured the Air Force Academy. After hearing a young cadet speak of his passion for all thing aviation and flying, she knew she was going to become a pilot and spend her life in aviation. Colette received her pilot's license at 19 and went on to obtain her multi-engine, commercial and instrument ratings. Collette currently serves as the Operations Manager for the Savannah Airport Commission. She, too, is a proud member of the SEC-AAAE.

And we are proud of both of them!
